This volume is published on the occasion of the twentieth anniversary of the adoption of the Convention in New York on 30 April 1982 and the opening for signature at Montego Bay, Jamaica, on 10 December 1982. Volume VI is respectfully dedicated to all our friends and colleagues from the many countries and international organizations who attended the Sea-Bed Committee meetings and the Third United Nations Conference on the Law of the Sea sessions, and to those who participated in the consultations that led to the Convention becoming universally acceptable.
