Norfolk and Montagu on the Taxation of Interest and Debt Finance

This important product provides subscribers with an authoritative, and pragmatic guide to the taxation treatment of interest and debt finance for both individuals and companies.

Continually reviewed to ensure that the content is accessible and up to date, the text offers unprecedented broad and deep integrated coverage of both the law and accounting practice and as they stand today and have stood in previous years.

Format: Online

Updated: Four times a year
£2013 single user

For multiple-user access, please get in touch with your requirement and we will furnish a quotation or set up a trial.

Subscriptions@wildy.com

The expert advice within this product provides invaluable guidance for practitioners in a wide range of day-to-day scenarios, such as:

- Determining whether interest has a UK source or whether a compensation payment could be subject to withholding tax
- Advising a private client from an income tax, CGT or IHT perspective in relation to a borrowing or debt investment
- Determining whether a financing arrangement is disclosable under DOTAS or DAC 6
- Identifying reporting obligations under FATCA or the CRS
- Planning how to raise funds for a particular project or business; and/or restructuring the borrowings of a company or a group of companies

Useful Links:

Demonstration of Product: [Here](#) (video)

The wide range of topics covered in this text include:

- What constitutes interest
- Whether interest is yearly and payable subject to withholding
- Reporting obligations under FATCA and the CRS
- Income tax, capital gains tax and corporation treatment of financing arrangements
- IFRS GAAP and UK GAAP relevant to the corporation tax treatment of financing arrangements

The screenshot shows the online interface for the book 'Norfolk and Montagu on the Taxation of Interest and Debt Finance' by Gerald Montagu, Felicity Cullen QC, and E.C.D. Norfolk. The interface includes a search bar, navigation tabs (All Content, Cases, Commentary, Legislation, Precedents, News), and a sidebar with a table of contents. The main content area displays the book's title, authors, ISBN (9781845928537), publication date (April 2022), and copyright (2022 Bloomsbury Professional). It also features a 'BUY BOOK IN PRINT' button and a 'Law As Stated At' date of 24 February 2022. A section titled 'Which key topics are covered?' lists various topics including interest, FATCA, CRS, income tax, capital gains tax, and corporation tax treatment of financing arrangements. A small image of the book cover is also visible.

Intellectual Property and IT

Intellectual property and information technology are areas of law which have seen both profound growth and increasing cultural importance in recent years. Our online service, Intellectual Property and IT Law, is an invaluable resource for any technology-focused legal practitioner working in this quickly evolving area. The service provides a monthly Intellectual Property and IT Law Update, written by technology law expert David Cullen and his team at William Fry. These updates provide you with targeted insight into contemporary and emerging issues in IP and IT law. Along with this, you have access to Bloomsbury Professional's wide range of market-leading, practice-focused titles concerning all aspects of information technology and its relationship with the law.

Law of Limitation

Now part of Practice and Procedure Online

Law of Limitation combines an explanation of the law with practical guidance on the most common situations that practitioners face. Written from a practitioner's point of view, it contains specialist sections covering contract, land, personal injury and clinical negligence, tort, equity, administrative law, fraud, concealment, mistake and disability, procedure, miscellaneous limitation periods as well all relevant legislation, consultation papers and law commission reports.

Format: Online

Updated: Twice a year

£1300 single user

For multiple-user access, please get in touch with your requirement and we will furnish a quotation or set up a trial.

Subscriptions@wildy.com

Practice and Procedure content list :

- A Practitioner's Guide to Powers of Attorney
- Disclosure of Information: Norwich Pharmacal and Related Principles
- Lasok's European Court Practice and Procedure
- The Law and Business of Litigation Finance
- Law of Limitation
- Limitation of Actions in England and Wales
- Privilege and Confidentiality: An International Handbook

The screenshot displays the Bloomsbury Professional Online Services interface. At the top, there is a navigation bar with links for 'All Content', 'Cases', 'Commentary', 'Legislation', 'Precedents', and 'News'. A search bar is located in the top right corner. Below the navigation bar, the 'Law of Limitation' page is shown. The page includes a 'Contents' section on the left with a list of topics such as 'Introduction and Recent Law', 'Division A Contract', 'Division B Land', 'Division C Personal Injury and Clinical Negligence', 'Division D Tort', 'Division E Equity', 'Division F Administrative Law', 'Division G Fraud, Concealment, Mistake and Disability', 'Division H Procedure', 'Division I Miscellaneous Limitation Periods', 'Division M Materials Division', 'Table of Statutes', 'Table of Statutory Instruments', 'Table of Cases', and 'Index'. The main content area features the title 'Law of Limitation' by David Mambro, Simon Brilliant, Richard Hayes, Guy Watkins, Mark West, Simon Williams, and David Willink. It also displays the ISBN (9781545928438), the publication date (July 2022), and the copyright (2022 Bloomsbury Professional Ltd). A red book cover image is shown next to the text. The page concludes with a brief description of the book's content and its relevance to practitioners.

International Tax Service

International Tax Service gives subscribers access to a range of specialist commentaries which will help them address issues regularly encountered by clients.

This content is written by some of the most respected tax authors in UK, including Jonathan Schwarz, Lynne Oats, and the Deloitte transfer pricing team. The commentaries have hundreds examples based on issues commonly encountered by companies involved in international tax transactions. The product also includes multi-jurisdictional guides on succession laws, and the planning issues around offshore and onshore trusts.

The areas of international tax law covered include the following:

- Implementation of transfer pricing rules in multinational companies.
- The OECD Base Erosion and Profit Shifting (BEPS) initiative.
- Taxation of cross border services.
- The principles governing employees working temporarily abroad.
- The Automatic Exchange of Information rules.

Format: Online

Price: £1150 single user

For multiple-user access, please get in touch with your requirement and we will furnish a quotation or set up a trial.

Trust Drafting and Precedents

Trust Drafting and Precedents, endorsed by STEP, is the first port of call for comprehensive practical information on drafting trusts. This popular service supplies all the precedents, commentary and legal guidance busy trust and estate practitioners require. It is regularly updated with new precedents, practical trust law information plus the key tax guidance.

Updates are provided by Geoffrey Shindler OBE, a consultant with DWF LLP Solicitors, and Julie Bell, from Southern Solicitors

Looking for a Precedent? Click Here

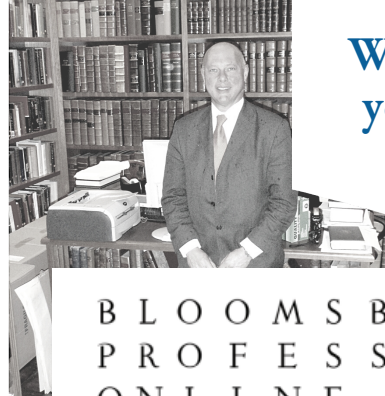

Up to date to Issue 43, June 2022

Julie Bell

Julie is a solicitor specialising in private client work. She is a consultant solicitor at Reed Roger and Reed Solicitors in Manchester, advising on all areas of private client with particular emphasis on trusts and assisting high net-worth individuals. She acts as deputy, attorney, executor and trustee for clients. Julie writes Trust Drafting and Precedents for Bloomsbury, tutors for STEP and writes and lectures extensively on various aspects of private client law. Julie is also a member of the STEP Manchester committee.
